

Quality Policy

At Perenti our purpose is to create enduring value and certainty to realise our aspiration of becoming the indispensable mining services company. In support, our overarching quality objective is to consistently satisfy or exceed our customers' and applicable statutory and regulatory requirements.

To achieve this objective, we will:

- Establish and maintain Quality Management Systems consistent with AS/NZS ISO 9001;
- Implement operation and control processes through approved documented policies, standards, procedures, templates and guidelines;
- Evaluate the Management System and its processes and implement any required changes to ensure processes achieve their intended results;
- Provide support, training and guidance to our people to ensure they understand their responsibilities for implementing, maintaining and continuously improving our Quality systems and processes; and
- Seek performance feedback from our customers and address opportunities for improvement that are identified.

This Policy will be reviewed at least every two years.
